Dear Eastern Shawnee Tribe of Oklahoma citizen,

The Eastern Shawnee Tribe of Oklahoma recently received federal funding under the CARES Act. As we budget these funds, it is important to know the needs of Tribal Citizens and health challenges you may have faced during the COVID-19 health crisis. We are interested in continuing to provide essential services to you, but first must know how you have been impacted by this emergency. The following questionnaire is intended for each Eastern Shawnee citizen age 18 and over.

All responses to this questionnaire will remain confidential.

Please direct any questions you may have about this form to Shawna Hudson, Executive Administrative Assistant, at 918-238-5151 x 1821 or by email at shudson@estoo.net.

Please complete and return this questionnaire NO LATER than August 3rd, 2020.

Thank you in advance for your participation.

Sincerely,

Chief Glenna J. Wallace

Please mail the completed questionnaire to:
