Eastern Shawnee Tribe of Oklahoma Aristocrat Gaming Scholarship Fund Guidelines

The Aristocrat Gaming Scholarship fund is a needs-based scholarship for those tribal members receiving post-secondary Education benefits through the tribe. As a needs-based scholarship the student must provide the Education Department with evidence of the need for funds to cover post-secondary education expenses that exceed any FAFSA oriented grants or other scholarships they receive. This shall be done by providing a list of all other scholarships and grants obtained compared to the students list of expenses/ charges. Students in STEM based programs will have priority in receiving funding.

A maximum disbursement of \$2500 per academic year will be equally distributed between either two semesters (Fall, Spring) or three trimesters (Fall, Winter, Spring) per each student who demonstrates the need and qualifies until the funds have been depleted. There is a maximum of 20 applications allowed per academic year.

To apply for this scholarship, the student must fill out the Aristocrat Gaming Scholarship application and provide supporting listed documents. Funding will begin each Spring semester for the academic year. Deadline to apply for each academic year will be March 1st. A selection committee of three people will evaluate the applications for approval.
